ISSN

INSTRUCTIONS: There is no charge for an ISSN assignment. Complete the application form and mail or fax it to the address above, together with the documentation listed below. If your serial is published in multiple physical formats, e.g. print, CD-ROM, online, complete a separate application for each format. **Please allow 6-8 weeks processing time.** ***If you change the title of your serial you must apply for a new ISSN.***

- **For existing print or CD-ROM serials:** A sample issue is **REQUIRED** so that the serials can be considered for acquisition by the Library of Congress. In exceptional circumstances, photocopies of the cover, title page, and masthead of print serials, or label and title screen of CD-ROM serials may be substituted for actual issues but such surrogates are not eligible for consideration by the Library.
- **For existing online or e-mailed serials:** Applications **MUST** include a URL which gives access to pages where the serial's title and other publishing information appear. For e-mailed serials or serials where the above information cannot be accessed freely by a URL, printouts of screens giving the above information are required.
- **For new (forthcoming) serials:** Applications made in advance of publication should include mockups showing the requested information, when possible, with the understanding that sample issues or URLs **MUST BE SENT TO THIS OFFICE** after publication.
