DEFINITION/DESCRIPTION of LOCUS (explain why you changed locus numbers):

Today's date: 11 July 06 Locus above:

Locus parameters:

Verbal description: Hellenistic dump.

Locus Interpretative Comments (What do you think this is? DATE your comments, continue on additional pages if necessary):

This is just a collection of pottery and bone from underneath a boulder in B1100. The material collected comes from run-off and that which was exposed by erosion. All material was placed in pail B1100.99.
