2018-2019 Haliwa-Saponi Princess

Naha':pipi! Good day! As your Miss Haliwa-Saponi 2018-2019 I am promoting the platform "Be Your Best Self." I want to encourage you to be the best version of yourself physically, mentally, emotionally, spiritually, and culturally. Each month it is my goal to put an encouraging word to motivate you to be the best you that you can be. You will never influence the world by trying to be like it." -Sean McCabe. For the month of July, I would like to inspire you to be different. We all have something special that we bring to the table and that sets us apart from everyone else to establish our own identities. We, as a people, all have different opinions. For example, the recent tribal council elections showed that we all have our own way of thinking and believe in things that not all people share belief in. However, we can use our influence for good to come closer together and act as one people with the freedom to think for ourselves. The one thing we can all agree on is that we want to see our people thrive and prosper for years to come. Use your influence with your own opinions in a positive way and always know that your voice matters.

Always remember to "be your best self"!

-Zianne M. Richardson, Miss Haliwa-Saponi 2018-2019
