# Correction: Application of next generation sequencing to CEPH cell lines to discover variants associated with FDA approved chemotherapeutics

Gunjan D Hariani<sup>1</sup>, Ernest T Lam<sup>3</sup>, Tammy Havener<sup>4</sup>, Pui-Yan Kwok<sup>3</sup>, Howard L McLeod<sup>4,5</sup>, Michael J Wagner<sup>4</sup> and Alison A Motsinger-Reif<sup>1,2\*</sup>

## Correction

After publication of this work [1], it has come to our attention that there is an error in the author list of the initial version of this manuscript; rather than Ernest J Lam, the second author of the manuscript should be listed as Ernest T Lam.

We publish this correction to update the author list with this information. The correct author list is as follows:

Gunjan D Hariani, Ernest T Lam, Tammy Havener, Pui-Yan Kwok, Howard L McLeod, Michael J Wagner and Alison A Motsinger-Reif

This error was introduced during the final production process and the editors of *BMC Research Notes* apologise for any inconvenience caused.
