WELCOME TO NEW CITATIONS READERS

If this is the first issue of *CITations* that you've received, you may be wondering how you became a subscriber. If you received a Carolina Computing Initiative computer in the past few months, we added your name and address to the *CITations* subscription list. Each issue will inform you of campus activities and resources that can help you make greater use of your new computer.

If you don't want to continue receiving *CITations*, you can unsubscribe by sending email to listserv@unc.edu with the following message:

or send email to kotlas@email.unc.edu requesting removal from the subscriber list.

ATN TRAINING CENTER CLASSES FOR JULY 1999

The ATN Training Center offers computer classes for UNC-Chapel Hill faculty, staff, undergraduates, and graduates. Registration details and the schedule for July classes are on the Web at <http://help.unc.edu/training/schedule/>. For more information about the ATN Training Center, see their Web page at <http://help.unc.edu/training/>.

If you can't make it to a class, but still need to learn the skills, check out this Web page: <http://help.unc.edu/cbt/>. You can take the computer-based training (CBT) courses on this Website in the comfort of your office and at your own pace.

CIT WEBCT BULLETIN

CIT WebCT Bulletin is a new monthly newsletter for campus WebCT users. WebCT is a software tool that facilitates the creation of World Wide Web-based educational environments by non-technical users. The bulletin includes news, tips, resources, and UNC-Chapel Hill WebCT stories. It is edited by Lori Mathis, the Center for Instructional Technology's WebCT consultant. Issues are available by email and on the Web at <http://www.unc.edu/cit/webct/webctnews.html>.

To receive *WebCT Bulletin* by email, contact Lori at 962-8256 or mathis@email.unc.edu. For more information about

WebCT, see <http://www.unc.edu/cit/services/webct.html>

SCHOOL OF NURSING'S TECHNOLOGY NEWSLETTER

inCITES is a newsletter produced by the School of Nursing Center for Instructional Technology and Educational Support (CITES). "How-to" articles from the newsletter are being archived on the Web. To access *inCITES*, go to <http://www.unc.edu/depts/nursing/departments/support/cites/> and click on the "[Newsletter](#)" menu item.

ON THE HORIZON JOURNAL

On the Horizon (OTH) is a monthly journal that focuses on signals of change on the horizon that can affect educational organizations. James Morrison, professor in the UNC-Chapel Hill School of Education, edits the journal. UNC-Chapel Hill faculty and staff can read the latest issue on the Web at <http://horizon.unc.edu/horizon/online/html/7/2/>

Table of contents for the July 2, 1999, issue of *OTH*:

"School Reform: Rushing Backward Toward the Future," by William G. Spady

"Transforming the Role of Students and Teachers in the Information Age," by James L. Morrison

"Rights or Responsibilities? Trends in Special Education Law," by Debora L. Scheffel and Mark H. Scheffel

"Technology PC System Architecture and Support Costs," by Bart Binning

"Corporate Universities: Just-in-Time Learning," by Michael D. Kull

"Eco-Insights and Transformational Politics," by Daniel Neal Graham

Morrison also edits *The Technology Source*, an online newsletter for educators facing the challenge of integrating information technology tools in teaching and in managing educational organizations. *The Technology Source*, back issues of *OTH*, and other resources are available on the Web at <http://horizon.unc.edu/>
